Terms of Reference Elundini Local Municipality Street and Public Space Naming (renaming) Policies

1. Introduction

The all three urban nodes of Elundini Local Municipality currently have streets and other public spaces that have not yet been named. The naming and renaming of streets and other public places is a significant part of place making. This includes, but is not limited to the creation of places that residents and users can relate to, take pride in and further build community cohesion. Naming is also an important element of service delivery as it promotes legibility and facilitates the effective delivery of services such as policing, emergency services and billing for services consumed.

2. Background and context

Elundini Local Municipality is comprised of three urban nodes, within these nodes there are formal settlements that received street names and recently formalised settlements where street names were overlooked. Further a number of developments initiated by the local authority on public spaces are on implementation stages. This has once again given rise to the issue of street and public open space naming.

3. Objectives

The purpose of the development of the Elundini Local Municipality Street and Public Space Naming Policy is to ensure a process of naming streets and public spaces is undertaken in accordance to the South African Geographical Names Council Act 118 of 1998 and establish guiding principles for naming and renaming street names and public spaces.
